CHAMPIONS WILL BE DECIDED ON SATURDAY

Candidates for Football Honors Will Hold Battle on Traction Park Gridiron Saturday.

In a final test to determine which is the best football team of Albuquerque and the vicinity, the local High School team and the aggregation from the Indian School will meet Saturday afternoon on Traction Park gridiron.

Both these teams have defeated the Menaul school team, the Indians twice carrying home the laurels, and the High School once. However, the two teams are fairly matched, and the game will be one worth seeing, for the High School coach, Alton, has done a wonderful amount for the Indians from the local school. They are playing splendid ball, and have developed a teamwork that is good to see.

The Indians are slightly heavier than the locals, but are said not to play so well together, or to play as fast.

MISSING GIRL IS YET UNFOUND

Margaret Greb Now Absent From Home Nearly Forty-Eight Hours, and No Word of Her Whereabouts.

Because no word has been received of his missing daughter, who Tuesday vanished from her home at 250 North Walter street, and has been missing ever since, John Greb is today near prostration from anxiety. Greb is a carpenter of this city. His daughter, Miss Margaret, is 22 years old and slender. She is a blonde and wore a grey dress and cloth shoes at the time she went for a walk.

The police thoroughly searched the city and the sandhills on the eastern side of the city yesterday without recovering a trace of the missing girl. Today an investigation was made along the line of the railroad, as it is thought she may have taken No. 2 out of Albuquerque. Miss Greb left the house between 3 and 4 o'clock so that she would have had ample time to reach the train had she intended going away.

The railroad officers will be called upon to aid in the search, and a strenuous effort to find the girl made.

VARSITY LADS GO TO SANTA FE

Football Aggregation From School on the Hill Goes Forth to Battle With Las Vegas Normalites.

With the same old holes in the offense, plugged, it is true, but none the less, breaks in the unity of the team, caused by Hunter's bad hand and Ringhand's absence in the east, the University football team left this morning for Santa Fe on delayed No. 19 to meet and possibly defeat the Normal University from Las Vegas.

The boys are confident, but are not overconfident. They are making allowances for any unexpected showing which the Normalites may develop in play.

The Normalists are said to be an aggressive and gritty bunch, and the University will have to play real football to defeat them.

The Varsity lineup for today's game will be:

Woodbridge, right end; Carlyle, left end; Mudgett, right tackle; Hamilton, (capt.) left tackle; Littrell, right guard; Stromer, left guard; Allen, center; Arons, full back; Hill, quarter back; Gladding and Calkins, half backs; Lemmick, de Wolfe, Pearce and Boldt, substitutes.

Miller, Walker, O'Reilly and Coach Hutchinson accompanied the team.

PATRIOTISM SHOWN IN MENS.
A Californian Raised Red, White and Blue Chickens.

WAS HEAL TAINTED MONEY.
Iowa Woman Contracted Blood Pox on From Handling Bills.

Mountainview, Cal., Nov. 16.—Patriotism to the ultimate degree is exemplified in a new breed of hens raised at the poultry farm of Dr. J. G. Royle, near here. The fowls have bright red heads, white bodies and blue tails.

There are several of the various hued birds. Doctor Royle says that the extraordinary plumage is the result of long experimental observation. He has named the new breed the "Patriot."
